About Dimension 2000

Dimension 2000 is a math professional development company that specializes in:

- helping schools make AYP in math
- *best-practice* instructional strategies,
- powerful student engagement activities, and
- innovative instructional materials.

Our methods and materials are guaranteed to capture the interests of students, and increase their motivation, understanding, self-confidence, and achievement in math.

Dr. Ed Thomas, President of Dimension 2000 leads a dynamic team of talented and experienced educational consultants, instructional planners, and instructional technology specialists. Collectively, the Dimension 2000 team has a very broad and impressive range of experiences that includes:

- K-12 classroom teachers,
- university level teachers,
- school-based math coaches,
- school-based division heads and team leaders,
- school-based administrators,
- school-based instructional lead teachers, and
- system-level instructional leaders.

The Dimension 2000 Team includes:

Dr. Ed Thomas, President
Kathy Thomas, Vice President and Chief Financial Officer
Kristine Allgood, Instructional Consultant
